HOW TO ADD CONTENT TO ADDITIONAL DEVICE

- Select the customized URL to download the (Flux Player) App for the specific device in use
- Install and Launch the (Flux Player) App on desired second device
- Sign into existing Flux Player App Institutional License account provided for the initial device
- Access Content (click on related publication icon)

HOW TO UPDATE NACHA RULES CONTENT

In the event a Nacha Operating Rules & Guidelines Supplement is issued, the ebook content will be updated and available to subscribers by following these simple instructions.

- Remove the current content by selecting the "Remove" link (located on the right in the section under the content access icon), then select "Remove from computer/device"
- Once the content is removed, select the small cloud that should appear next to the Rules content icon on the left
- This should begin to download and launch the most current version of the Rules ebook publication automatically
- Launch content as normal by selecting "open" or by clicking on the large publication content icon
