

Payments Innovation Alliance®

Global Payments Advisory Committee Nominees

(Candidates are listed in alphabetical order by organization)

Scott Cordella

Payments Partnership Manager

Cross River Bank

Current responsibilities:

- Acting as the client's advocate within the Bank to ensure that the client has a voice, and representation within the internal stakeholders
- Managing all aspects of the client lifecycle, from onboarding, integration, due diligence, and growth
- Act as the subject matter expert for all ACH, RTP, Fednow, and Wire payments activities, including network rules, BSA/AML, technology, commercials, etc.
- Drive new product initiatives based on the client's feedback, operational gaps, and market trends
- Drive policy changes with the internal Bank stakeholders based on client feedback, product changes, and operational gaps
- Drive product growth and lead commercial discussions with the client and internal stakeholders

Relevant experience with Alliance activities and/or other Nacha events:

- Attended the Payments Innovation Alliance Fall meeting (2022)

Alejandro Pinzón – (Incumbent)

CEO

DRUO

Current responsibilities:

I'm currently CEO and Chairman of the DRUO group. The group includes all operating companies across 6 different countries covering the U.S., LATAM and EU markets.

My responsibilities include:

- Guiding the company's vision and international expansion strategy.
- Overseeing the compliance and regulatory relationship function.
- Directing the product roadmap and engineering approach for the entire product line.
- Fundraising and investor relations.

Relevant experience with Alliance activities and/or other Nacha events:

I'm an active member of PIA's Global Payments Advisory Committee where I help bring an international/global payments perspective. I've attended PIA meetings in various locations such as Minneapolis, Boston, Tempe, Lisbon, and Pentagon City. My involvement includes organizing sessions and speaking at some of these events. I'm looking forward to organizing a few Buzzcasts as well!

Rossana Thomas
Vice President, Product Management
Fiserv

Current responsibilities:

Rossana is general manager, Global Enterprise Payments Platform (EPP) at Fiserv. She has responsibility for the overall product strategy, development, implementation, and support. EPP is a payments hub used by banks across NA and EMEA. It processes payments for over 45 clearings (a mix of RTGS/high value, ACH/low value batch and Instant) across approximately 15 countries in NA, Europe, Middle East and Asia Pacific.

Relevant experience with Alliance activities and/or other Nacha events:

Over the last 30 years, Rossana has participated on various NACHA councils/committees, been a speaker at many Payments Conferences and in a previous role represented the Electronic Payments Network on the NACHA Board for a couple of terms.

Sanchit Puri – (Incumbent)
Managing Director
J.P. Morgan Chase

Current responsibilities:

Sanchit Puri is Product Head, ACH & Corporate Wires for J.P. Morgan Payments. He is responsible for product management and innovation across the payments value chain for the bank. Sanchit brings more than twenty years of experience in the manufacturing and financial services industries. He is an advocate and very active across multiple industry and payment associations.

Relevant experience with Alliance activities and/or other Nacha events:

Sanchit has been a member of the Global Payments Advisory Committee for the 2022-2023 period. During the last 2 years, Sanchit introduced and contributed to many speaker engagements and bringing various regional & product experts to speak at the Alliance meetings. Sanchit has been a very active member of the committee and partnered very well with all the stakeholders to plan & execute member meetings.

Andrew Gómez – (Incumbent)
Director
Lipis Advisors

Current responsibilities:

I lead analyst teams on custom consulting projects in the payments space for clients around the world, such as banks, fintechs, regulators, software providers, and payment associations. I also represent Lipis Advisors on a number of industry associations (Nacha's Alliance, the US Faster Payments Council, the Frankfurt Payments Network, and the Euro Banking Association working groups).

Relevant experience with Alliance activities and/or other Nacha events:

I've presented and moderated panels at various Nacha events for the last 6 years and have served on the emerging payments advisory committee since 2021.

Leonardo Ribeiro
Núcleo

Current responsibilities:

Head of Payments and Receivables products at IMF company, managing collection products, RTGS and LDL payments rails for Brazilian market.

Relevant experience with Alliance activities and/or other Nacha events:

Member since I start at Núcleo (ex CIP) in 2017, sharing the payment experience of Brazilian market and participating in the annual meetings as a member. Reconnecting in 2023 within the group.

Orlando Santos
Managing Director
OS Consulting

Current responsibilities:

Driven by innovation, global cooperation and interoperability, I aspire to remain at the forefront of key developments and trends in payment market infrastructures and modernization efforts, and as such, try to regularly collaborate with various global organizations and financial governing bodies. Passionate about payments modernization and worldwide access to secure, interoperable payment systems, I have been fortunate to find myself at the forefront of various modernization efforts. Specializations: Payments, ISO 20022, API's, Real-Time Payments, Payments Modernization Initiatives, High/Low Value Payment Systems, Global Standards Governance, Financial Messaging Standards, Cash Management, Product Management, Strategy and Business Development, Data Science, Leadership and Stakeholder Engagement, Business Analysis, and Payment Operations.

Relevant experience with Alliance activities and/or other Nacha events:

Previous member of various Nacha work groups, planning committees and strategic initiatives such as Afinis and Phixius.

Joerg Richter – (Incumbent)
Manager Marketing and Stakeholder Relations
Worldline

Current responsibilities:

Joerg is responsible for international marketing at Worldline, the largest payments processor in Europe and no. 4 worldwide. He is in charge of large international campaigns and conferences. Being in the payments industry for more than 18 years, he gathered extensive knowledge in this field. Joerg represents Worldline at industry bodies like the NACHA Payments Innovation Alliance and the European Banking Association (EBA).

Relevant experience with Alliance activities and/or other Nacha events:

Joerg is currently representing Worldline at the Global Payments Committee. He has been actively involved in organizing all alliance meeting since he started his term 2019 with drafting the program, speaking at sessions, and organizing and moderating sessions.
