

Proof of Consent to Receive Messaging

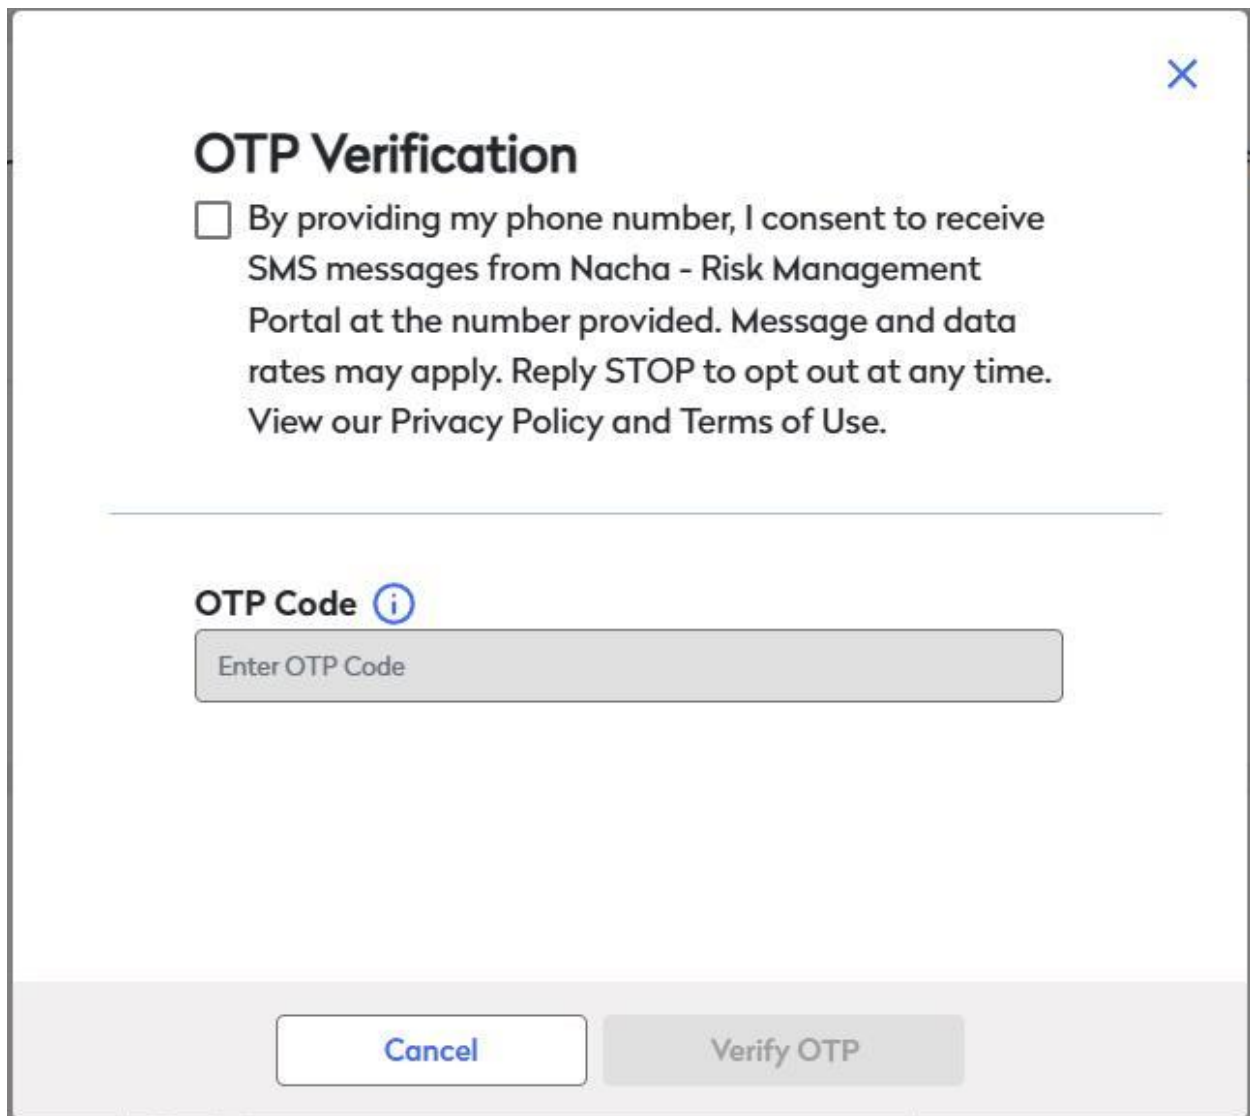

Introduction

The purpose of this document is to provide evidence of consent obtained from consumers for receiving messaging communications.

Consent Collection Process

Methodologies Used

A web form on the website, where consumers provided consent.

The screenshot shows a web form titled "OTP Verification" with a close button (X) in the top right corner. Below the title is a checkbox followed by the text: "By providing my phone number, I consent to receive SMS messages from Nacha - Risk Management Portal at the number provided. Message and data rates may apply. Reply STOP to opt out at any time. View our Privacy Policy and Terms of Use." Below this text is a horizontal line. Under the line is the label "OTP Code" with an information icon (i) to its right. Below the label is a text input field with the placeholder text "Enter OTP Code". At the bottom of the form are two buttons: "Cancel" and "Verify OTP".
