

## Call for Presentations: **Smarter Faster Payments 2026**

**San Diego, April 26-29**

Payments draws leaders, decision-makers and innovators from every area of the payments ecosystem. Consider this opportunity to share your perspectives and contribute to the wealth of knowledge at Payments 2026. Proposals should inspire learners, build skills, or drive change for payments industry professionals.

### **Value Proposition**

Join a premier cadre of session presenters, offering new ideas, technical knowledge, practical advice and solution overviews to other payments industry professionals.

### **Audiences**

Payments industry subject matter experts working in financial services under operations, product management, legal, systems integration, risk and compliance, and treasury management and accounting.

### **Submission Information**

**Deadline:** **Aug. 1, 2025**

**Location:** Submit online

**Website:**

<https://payments.nacha.org/call-presentations>

### **Ask**

Please share with your team and clients the link to submit their ideas for the 2026 conference.
