

Registration Instructions

EPCOR's *Electronic Flashcards* via BrainScape

1. From your computer, click on your unique **URL/Access Code** found in the email from EPCOR. You may also cut and paste it into your browser, if necessary. *Be sure pop-up blockers are disabled.*
2. You will be presented with a webpage to redeem your code. Click **Claim My Access** to register.
3. Sign up by entering your **First Name, Last Name** and **Email**. Create a **Password, Accept Terms** and then click **Register**.

Using EPCOR's *Electronic Flashcards* via a Web Browser

1. Once registered, you may access the *Flashcards* at www.brainscape.com. There are several decks included, which are based on the Exam topic areas.
2. You may study **one deck** at a time by **clicking on the radio button** next to the deck you wish to review, then click on the **forward button** to the right of the deck. Or you may **study all decks** at one time by **clicking on the radio button next to Decks**, and then clicking the **Study button**. If reviewing all decks at one time, you may randomize them by clicking on the **Cog** (left of the Study button) and selecting **Random Mix**.
3. Review the flashcard. Once you believe you know the answer, click **Reveal Answer**.
4. Once the answer has been revealed, rate how well you knew the answer with **1** being **Not At All** and **5** being **Perfectly**.
5. Your progress is tracked along with the number of flashcards you've completed in the deck.
6. If you would like to **review a different deck**, click on the **Brainscape Logo/Back Button** (upper left-hand corner). Or you may **logout** by clicking on the **Cog** (upper left-hand corner) and selecting **Log Out** from the drop down.

Brainscape Mobile Access

You may also access the *Flashcards* via the mobile app. The **FREE** app may be downloaded from your mobile device's app store. Search for **Brainscape – Smart Flashcards**. Once downloaded, sign-in using the email and password used to register in Step 3.
